

# 07. SCHOOL NEWS LETTER

UNPLUGGED  
REBELS  
NZ

Dear ...thank you very much for agreeing/suggesting to put something in the school newsletter showing your support for Unplugged Rebels NZ. Hopefully it will help to get the conversation around delaying smartphones started. For the parents of the current Year 6 students, it will be a particularly crucial time, as it seems that it is the summer holidays between Year 6 and Year 7 that most parents get their children a smartphone as they feel that everyone else is doing the same. If you think it would be useful for me to come and speak to any interested parents about the topic and share some of the research, please let me know as I would be more than happy to.

I have attached a PDF with the UR support logo in black and white for you to choose from and some text to include with it for the newsletter. Please feel free to alter it if you like.

".... school supports the global parent-led movement to delay smartphones for children. For more information on the New Zealand based group aiming to support kiwi parents to navigate this challenging topic please visit [www.unpluggedrebelsnz.com](http://www.unpluggedrebelsnz.com)"
